RESPONSE

Dear Sir:

This Response addresses the Office Action mailed June 20, 2002. Please reconsider
the pending claims of the present application in light of the following comments.

REMARKS

I. The Specification

The Examiner has noted that a substitute specification is required pursuant to 37 CFR
1.125(a). In response, Applicants are submitting a substitute specification and a marked-up
version of the substitute specification. The substitute specification does not contain any new
matter, and reflects the changes contained in the Preliminary Amendment dated September
25, 2000.
